So many amazing Tie Dyes to choose from!

Sundog's master craftsmen create a variety of custom designs and color choices to enhance your artwork and increase your tie-dye options. We have a large selection of tie-dyes to choose from, but if you do not see what you want, we can create a custom tie-dye specifically for your needs. Each shirt we create is hand folded and hand dyed to ensure quality and consistency. This consistency allows for the perfect screen print on each garment.

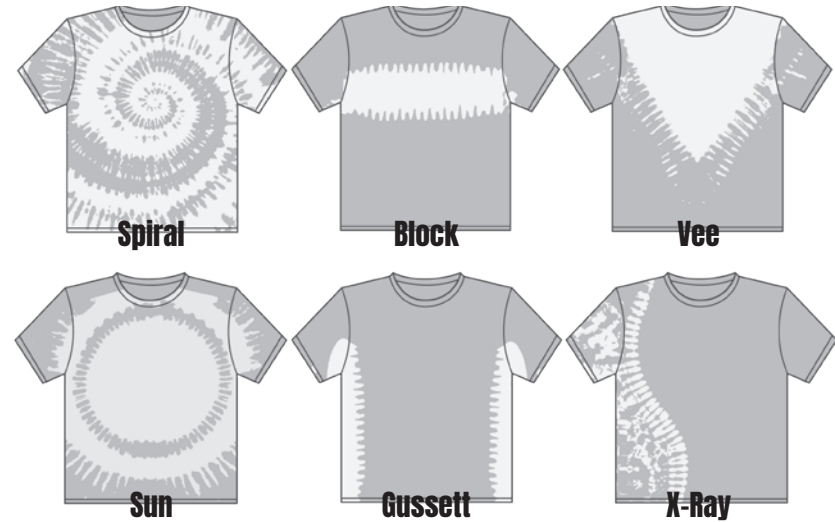

If you are unsure of what type of tie-dye will be best for your needs, our team of designers can work with you to create a pattern and color options, which will provide a better "canvas" for your artwork and really accentuate your screen-printed designs. And don't forget, we do much more than just tie dye. If your needs include other types of outerwear, please just let us know.

Orders ship in 3 weeks. Minimums do apply 36 per design and color combination. Other colors available, please inquire.

Create your own Sundog Custom Tie Dye!

First, pick your colors.

Choose one of our designs and personalize it. Have your design or logo printed on it. Or go without a print - just a cool tie dye.
